## Overview & important notes

All services provided by Neotax s.r.o. are governed by this Schedule of fees and charge unless stated otherwise in the signed agreement.

We might change, add or discontinue services described in this schedule at any time.

In case a currency exchange is required, we will apply our bank's spread policies or apply our own consisting of applying a 2% spread on the rate available at the moment of the currency exchange. The date of the currency exchange might not be the same as the date presented since currency exchanges are usually done upfront and a period of 2-14 days of settlement is used.

This Schedule does not take into consideration any discounts which can be applied by using discount coupons or individually agreed on discounts.

This Schedule is applicable to services provided directly by Neotax s.r.o. In certain situations, fees might be higher if services are provided through partnering organizations or individuals.

## FILLING EHP/EWR FORM

Wrongly filled Personal income statement form will not be accepted by Dutch tax office. Therefore, it will be considered as undocumented.

In case you do not know how to fill in the Personal income statement form correctly, we can send you a pre-filled form, which you just will have to confirm at the relevant tax office (according to your place of residence). The form will be sent according to your requirement - electronically or via post. The fee for this service is 7 EUR.
